CONGRATULATIONS

Mr. Mike and the Child Care Program
for receiving Gold Key PLATINUM status!

This means that our Child Care Program has demonstrated exemplary practices in school age child care. The platinum level means they have met the gold key status for 2 prior years and current year to date. They also have shown exemplary practices in at least 3 gold key categories. They have received a gold key visit and have the same site coordinator for 2 previous years.

Congratulations Mr. Mike and the Child Care Staff.

Thank you for representing Enterprise on such a high level.
